2023 - 2024

Residential Code of Conduct

Overview

The University accommodation is designed to provide students with suitable living conditions, a pleasant atmosphere for studying and the chance to meet other residents from different backgrounds and cultures. It offers students an independent lifestyle, and in return we expect students to live together responsibly, without close supervision or interference from members of staff.

The residential Code of Conduct provides clear guidelines on the responsibilities of Residents. All are required to familiarise themselves with their responsibilities and abide by the Terms and Conditions of their Licence Agreement. The Residential Code of Conduct form part of the Licence Agreement. Any resident who breaches the Terms and Conditions of the Licence Agreement or Residential Code of Conduct may invoke Disciplinary Procedures.

Conduct

The resident must conduct him/herself at all times in a responsible and proper manner with due consideration for University staff, other residents, local residents and members of the public generally. Conduct related to the Halls of Residence, which is alleged to be a breach of the Residential Terms and Conditions, Residential Code of Conduct or University Regulations, will be dealt with in accordance with the provision of regulations as detailed in the Accommodation Disciplinary Procedures. Any alleged conduct that constitutes a criminal offence may be reported to the police. Accommodation or University Disciplinary Action may also follow.

5.3 Any form of harassment of other Residents, members of staff or members of the public is deemed wholly unacceptable and offenders risk having their Licence Agreement terminated.

6. Drugs and use of illegal substances

6.1 The "Misuse of Drugs Act 1971" makes it an offence to possess, use or supply to other persons, any controlled drug. The Act also makes it an offence for the occupier of the premises or a person concerned in management of any premises to knowingly permit or suffer any of several activities to take place on those premises. The activities specified in the Act include smoking cannabis or cannabis resin, and supplying or attempting to supply a controlled drug to another person. The University, as a landlord, is obliged to comply with the Act and notify the police if a student is found to be in possession of drugs or to be supplying or producing illegal substances.

6.2 Staff, students and visitors are clearly required to comply with the law and therefore residents may not bring in or cause or allow to be brought into the accommodation any unlawful drugs or other such substances.

6.3 Anyone found using, supplying or producing illegal substances will face Disciplinary Action, may have their Licence Agreement terminated (on the grounds of misconduct) or face further action being taken under the University Student Disciplinary Code and Procedures, and will be reported to the police.

7. Offensive weapons

8. Instructions by University staff

8.1 Residents must follow proper instructions given by any member of University staff who is on duty, and who identifies himself/herself. 8.2 Disciplinary Action may be taken against anyone who does not comply with reasonable instructions by University staff, or uses offensive language or behaviour towards any member of University staff.

9. Residential Advisors

9.1 Residential Advisors assist the Accommodation Office with its operation and are available to provide help and advice. They also have the responsibility for encouraging Residents to have a responsible attitude towards living together. They visit the Hall of Residence on a regular basis and will be available to help with many issues.

10.1 Each Resident shares responsibility for their flat, including

15. Security

16. Issues with fellow students

- 16.1 If you experience minor problems with the behaviour of other Residents, first try to resolve the issue informally. Dissatisfaction often arises from misunderstandings and the best starting point is usually with the person whose actions are the cause dissatisfaction. Informal discussion can often provide an immediate explanation and solution.
- 16.2 If issues between residents requires escalation, you can contact the Accommodation Office staff for advice and, if you so wish, they can arrange to meet the parties involved to try and help resolve the dispute amicably.
